HOUSE and HERRMANN

Cor. 7th and Eye Streets, N. W.

HOUSE AND HERRMAN.

If you want to purchase Christmas and New Year household goods, and if you cannot satisfy yourself elsewhere, give House and Herrman a call. This establishment is one of the largest in the city. There is no excuse for the housewife; she is in a position to call and make her own selection.

Every husband should see that his wife is satisfied before the beginning of the New Year.

E. VOIGT.

If you want something in the jewelry line, Catholic Bibles, or anything as a Christmas gift to friends, read the advertisement of E. Voigt in another column of The Bee. This is one of the most reliable places in the city, where you may obtain the genuine article.

Mr. Voigt is a man of the most accommodating disposition. Treat him right and he will do likewise.

OUR DRUG STORES.

If you want first-class drugs and fine toilet articles, call in and see Dr. Morse, one of the best druggists in the city.

Board and McGuire are up-to-date druggists, and if you doubt, inspect their place.

Dr. George W. Murray is the pioneer druggist of South Washington. Everybody knows Dr. Murray. He is genial and the man to patronize.

Attorney R. R. Horner, who has been quite ill with his back, is improving and able to be out.

Attorney James Walker, who has been out of the city several days, has returned.

*DR. MORSE'S DRUG STORE.

If you want to patronize an up-to-date pharmacy, you should not fail to patronize Dr. Morse, 1904 L street, northwest. This is one of the finest drug stores in the city. It will cost you nothing to inspect it. See for yourself.

A WORD ABOUT CHRISTMAS.

A Christmas present will be doubly appreciated if you give something which is serviceable. Put your money into articles which will add to the comfort and appearance of a home. In this way you are giving happiness and filling a need at the same time.

If you feel that you cannot afford to spare cash for as nice things as you'd like to give, go to the Peter Grogan & Sons Company, 817-823 Seventh street, and make use of the credit proposition offered you there. They will give you an open buying account, with the privilege of paying a little each week or month after the holidays.

Such a stock as they carry gives you an almost endless variety of gifts from which to choose. Something appropriate can be found for any of your family or friends. You need not hesitate to tell them that you'd like to pay the bill later. Their offer of credit is open to all, and you'll find them perfectly willing to charge whatever you wish to buy.

A WORTHY MAN DEAD.

On Tuesday, December 1, after a brief illness of five days, William A. son of the late Isaac and Rachael Norton, and brother of Mrs. Emma Younger, Rebecca and Lillian Norton, and better known as "Dee", was one of the oldest porters in the city, having been in the employ of Madame Blounts Millinery establishment since boyhood. He will be greatly missed by his employer and his many friends.

MAKE YOURSELF PRESENTABLE.

You may not be a beauty. It is not given to every woman to be beautiful. It is not given to every man to be handsome, but we can all make ourselves presentable. We can all 'groom' ourselves so as not to be physically obnoxious to fastidious people. This matter is exceedingly important to colored people as well as white. Men cannot secure and keep the best positions in banks, clubs and business houses unless presentable and physically acceptable. Girls cannot keep the best positions in commercial and domestic life nor win the best husbands, nor get along as well in the world in any manner unless they make a presentable appearance. All this is just as important for colored women as for white women.

Before 'Complexion Wonder' was discovered, every ambitious white woman in the United States used some kind of powder or cold cream. Now they are learning to use 'Wonder.' This is the first discovery ever made which works for colored skin better than white skin. Now the people who use 'Wonder' are mostly white women. It is high time colored women and colored men were learning to use it. You must also have your hair dressed attractively. If it is too short, use 'Wonder Hair Grow,' which is a fertilizer for the scalp just as fertilizers in the corn field make the corn stalks grow, so 'Wonder Hair Grow' helps the scalp to feed the hair so it will grow longer. If your hair is too kinky, use 'Wonder Uncurl' and the 'Wonder Comb.' The Comb costs but fifty cents, and will last a life time.

M. B. Berger & Co., 2 Rector St., New York, inform us they will send any of these articles, free delivery, for fifty cents in Post Office order or postage stamps.

Ford's Hair Pomade

(Formerly known as Ozonized Ox Marrow)
Fifty years of success has proved its merits. The use of Ford's Hair Pomade makes stubborn, harsh, kinky or curly hair straight, soft and glossy and easy to comb, and arrange in any style desired consistent with its length. Removes and prevents dandruff, invigorates the scalp, stops the hair from falling out or breaking off and gives it new life and vigor. Absolutely harmless—used with splendid results even on the youngest children. Delicately perfumed, its use is a pleasure, as ladies of refinement everywhere declare. Ford's Hair Pomade has imitators. Don't buy anything else alleged to be "just as good." If you want the best results, buy the best Pomade—it will pay you. Look for this name
